Subject: RE: IMC Course and HVAC/R Course: Submission of Applications for Review and Approval

Good morning,

I am sorry to hear that you received incorrect information from the Call Center, for that we apologize. The Board is approving Continuing Education courses. Please see the most recent updates to your courses.

Approved:

- IMC 2024 and changed from 2021

If you would like to modify the Introduction to Refrigeration Ducting and Ventilation Systems course and resubmit, I will be happy to get it re-reviewed. I hope you have a great day!

Thanks!
