To Continuing Education Provider: 20390

I am pleased to inform you that the Division of Corporations, Business and Professional Licensing has approved the course listed below for continuing education for Mechanical Administrators **and/or** Journeyman Plumbers.

Mechanical Administrators in the State of Alaska are required to obtain eight hours of UPC and/or eight hours of IMC continuing education depending upon their license category (ies), every two years, based on the current state adopted codes or their later revisions.

Journeyman Plumbers in the State of Alaska are required to obtain 16 hours of continuing education with at least 8 hours of UPC code credit. To be approved for continuing education credit, courses must be based on the codes currently adopted by the State of Alaska.

Please continue to submit information on any additional courses that you would like to have reviewed for approval.

You may view approved continuing education courses on our website at:
