The Committee's recommendation was adopted by the Board at its meeting on June 24, 2025 and the application was approved. Your Education Provider Number is 2730000489. Your course approval information is as follows:

The Board's regulations require electronic transmittal of course completion data to the Board office within **seven days** of the completion of each individual course. The reporting form and instructions for use will be transmitted via email within the next few days.

Please note that a course that has been approved by the Board may not be substantially altered. If a change occurs that would modify the content or time allocations stated in the course outline or change any of the stated course topics, you must submit an application for approval of the new/revised course. Additionally, you are required to notify the Board of any changes in administrative information (i.e., name, location, instructor, fees, course material, etc.) and transmit your course schedule to the Board as classes are scheduled.
